WHO WE ARE

HandCare was formed in 1993 with the end user in mind. Now bringing innovation to users across multiple industries, HandCare utilizes long-standing relationships with reputable manufacturers to bring a combination of new features and high quality product to end users across the globe. Our mission is to bring an uninterrupted supply of high-quality disposable gloves to those who rely on them the most, and working with capable distributor partners to meet their customers demands.

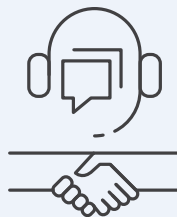

OUR STRENGTHS

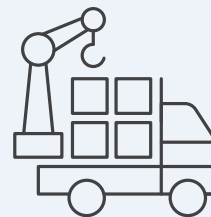

MANUFACTURING

Our close ties with specialty manufacturers enable us to turn out world-class products, in very short time frames, at attractive prices.

CUSTOMER SERVICE

With decades of experience in the PPE industry, we are able to offer crystal clear communication and white-glove service to our distributors.

LOGISTICS

Multiple master distribution sites, coupled with a dedicated supply chain team, mean that products are always delivered with maximum efficiency.
